The Journey of My Life Jun 17 2022

My Life and Ministry Mar 02 2021 The book details the highlights of my early life and ministry experiences. I have purposely left out negative things that would not help encourage people, except enough to show that if I could use past experiences to build future success so also can the reader. I believe this book will build faith in your God-given abilities and especially in God who gives strength to face adversities and overcome them to make an impact in the lives of others. I was a very quiet and bashful person but overcame it and became a successful minister of the Gospel of Jesus Christ and have since taught thousands how to do the same thing. I believe that if I could do it, anyone can do it. Apply yourself, believe in yourself and believe in your God to help you. In this way, you can take the 'im' out of impossible and make it possible; you can make the unachievable achievable because all things are possible if you believe. You cannot let your past dictate your future; you cannot let what others say or think about you dictate your future - only you can determine your future by building on the mistakes of the past. Get pass the past and use it as stepping-stones to a bright and prosperous future. My ministry has helped me establish

churches, Bible Training Schools and travel around the world preaching the Gospel of Jesus Christ bringing help and deliverance to thousands.

Towards the Light Jan 20 2020 *Towards the Light* describes the agonizing journey of a devout fifth-generation Southern Baptist clergyman from unassailable belief to utter and complete atheism. The book lays out in detail why he outgrew the religion of his ancestors and moved towards the light of reason. After leaving the ministry, Dr. Compere went back to graduate school where he received a PhD in Clinical Psychology. Thus, his book includes psychological explanations for many religious phenomena including being born again, believing in the efficacy of prayer, and why religion continues to be so ubiquitous in an otherwise modern society. Dr. Compere is convinced that many people of faith have entertained serious doubts about the religion they inherited and should be supported in their search for how to live a good life without a belief in the supernatural. He examines many of the essential tenets of the Christian faith including an explanation of their origin while providing cogent reasons for no longer accepting the myths upon which they rest. "Growing up a minister's son, the church was not just a part of my life -- it WAS my life. Everything in my world revolved around the church and its teachings. From my earliest memories, Christian dogma was relentlessly drilled into me until I believed that my only purpose on earth was to glorify God. Anything short of that was failure. I got the message. I gave my first sermon at age fifteen and became an ordained minister in the Southern Baptist Church at eighteen. Although serious theological doubts began in college, I set them aside and managed to continue in the ministry until I had completed a seminary degree and served two pastorates. After a decade of denial, I finally admitted to myself that I was becoming publicly phony and privately cynical. I couldn't live with that so at age 32, I left the ministry which had been my whole life, and struck out in a new direction, one which would allow me to live with integrity. This is the story of my journey *Towards the Light* and of the inescapable, but heretical, conclusions about religion which occurred along the way."

The Double Portion Life Oct 09 2021 Have you ever found your spiritual life in the doldrums where your excitement, joy, and zeal for God has waned or you have found yourself in a spiritual depression? That is a very common experience for many Christians. Despite their best intentions and desires, the day to day grind of life In this book, Steve Biddison examines how his personal study of the life and ministry of the prophet Elisha helped pull him out of a deep spiritual depression. Whether you are facing depression or you are you find yourself, figuratively speaking, on the bench spiritually and you are ready to get into the game, then this book might just be what you need to learn to experience double portion living in both your life and your ministry. From the Introduction: Jesus promised us that He came not only to save the world, but to provide a way for His followers to live a victorious, fulfilled, and abundant life. Out of our victorious and abundant life, He has called us to be a light and a witness to our world. No, let me rephrase that. I believe that He provides that fulfilled life WHEN we minister to our world. I know the times in my life that I have felt the most fulfilled spiritually and emotionally were those times that I was doing something for the kingdom of God. However, those times that I was on the bench while the spiritual game of life was being played around me correspond with the darkest, most unfulfilled times in my life. Might I also admit that those times were times of deep depression. I went through one of those deep, spiritual depressions when by all appearances others as well as God had completely forgotten about me. I honestly believed I was never going to get out of those spiritual doldrums because those normal things we are all taught to do (read our Bible, pray, go to church, etc), I was doing at a very consistent level. However, those feelings of waste, depression, uselessness, and unworthiness continued to bombard me from every side. It was not until I began to read again the stories of Elisha and his ministry that God began to show me some great truths or life lessons that I began to not only get out of my spiritual doldrums, but

my heart began to experience a double portion of gratefulness to God and a double portion of my love for Him. As a result of my heart experiencing double portion blessing, I want to share with others what God showed me. If you find yourself in a rut spiritually, or suffering from spiritual depression, then this book is definitely for you. However, it is not just for those who are in a spiritual drought. This is also a great resource for everyone who is in some kind of ministry. Although the life lessons explained in this book is what God used to draw me back into the joy of the Lord, this book is not a story of how God took me out of depression into a more victorious life. It is, however, a book that follows the life and ministry of Elisha, while showing some specific life lessons that every Christian should follow on their path of living for our Lord Jesus. As you read the pages of this book, whether it is just you as an individual or you are reading it together as a small group, my prayer is that each time you read a chapter, God will surround you with His grace, fill you with His love, and capture your heart.

A New Life Is Expecting You May 16 2022 The year was 1978 in early June. Vivian and Lucia Olivarez had just accepted Jesus Christ to be their Lord and Savior. They had been prophesied too many times that their children would all serve the Lord and that all their children would testify and be ministers of the Word of God. This prophecy has been fulfilled. Then in early 2009, they were prophesied again for the third time that they would have a son. This son would be the most rebellious of all their children, and he would be used greatly by God. My name is Leandro "Lenn" Olivarez. I am the youngest of five children. I am also the copastor of Templo De Alabanza (Temple of Praise) ministry in Rockport, Texas. Under the direct leadership of Senior Pastor Vivian Olivarez, I have been preaching now for over five years. After growing up in the Lord and backsliding, I have seen the ministry of God change so much that it hurts. I can only imagine how God feels. I have spent the majority of my life running from God, and that very rebellion brought some very bad, evil spirits into my life. I was, at one point of my life, a drug user. I was also a heavy metal drummer and radio DJ, chasing after all the wrong things. My parents, who also happen to be my pastors, never stopped praying for me. This book is to show that your life has a greater purpose and it may have already begun. Submitting to God is the first step. What you are about to read are real-life testimonies from me and my family. We have seen the mighty hand of God in our family and in the ministry that God has placed before us. You are also going to see God's hand in-depth on how he worked in our lives and the difference between believing and true faith deep down. At a very young age, I was exposed to the real full power of God, and this very truth rattled my soul to the very core of my inner being. Another thing God showed me is that everyone believes in something, but believing in the unknown and the unseen is a step of faith. Jesus said that all you have to do is believe because if you can start there with your belief, nothing is impossible. I have encountered evil spirits. I have fought them through the name and the blood of Jesus. I have had encounters with demons; and a witch even sat at my dining room table, looked me in the eye, and threatened me to my face. God

showed me that true repentance and the name and the blood of Jesus are the only way to break the curses and be set free. Please pray to the Lord that he will open your spiritual eyes so that you may see what he wants you to see. There is nothing in this whole world that anyone can say to me to change my mind that God still heals people and sets people free from demonic forces. I am a witness to God's full power. I have seen with my eyes demons back away at the name of Jesus. I asked the Lord that in the name of Jesus Christ, you will receive a blessing from God while you are reading this book. All honor and all glory to my savior, Jesus Christ.

Story of My Life Dec 11 2021

RELIVING AT-77: My life my responsibility Dec 31 2020 The book in nine chapters, provides an insight to life of a common man; not in form of biography but as actually lived at different places in pursuit of overall growth. Leaving aside fear of success or failure, managed the life with risk inclination and dynamism by embracing new opportunities instead of hanging up with nitty-gritty issues. The Double Life of a Minister's Wife Jun 24 2020 The Double Life of a Minister's Wife inspired me to face my trials and to keep God first in my life all the time. My influence on people is uplifting to me. And even when they try to derail me, I don't let anybody dictate who I am, what I should be in life, or what they want me to do. I have done a lot of things that a real overprotective mother, wife, daughter, and saint would do—maybe not in that exact order. I am who I am, and what God has for me is for me. Nobody can tell me differently or lead me to believe otherwise. So I tilt my hat to each and every one who took the time out to and read and be a part of my testimonies and my life story that I have shared. There is a story that must be told and a novel that must be read, and I know that you enjoyed being fed. Remember, if you doubt yourself, then how can you relay your message to help the next fellow man or woman? Be blessed and look for book number 4 and many more to follow, even a movie. It's all about the God in me! This is a short story of a woman wanting to be loved but didn't know that she was in a relationship with the devil himself. Certain people will do whatever it takes to get a person, but when you succeed, then you get too comfortable in a web of deceit and betrayal, headed for derailment. I was blinded by the flesh instead of obeying my heavenly Father's commandment and seeking God first. I was so hungry for love and was tired of the backstabbing and continuous betrayal of past relationships that I trusted and believed this man that was sent to destroy and confuse my mind and to make me switch sides. This evil person did everything up under the table and had me so blinded that all his lies were the ties between the sweet and the bitter, which made me be more scornful and made me wish I was never born!

Reminiscences of My Life Jun 05 2021

My Life as a Fake Aug 07 2021 Melbourne, the late 1940s. A young conservative Australian poet named Christopher Chubb decides to teach his country a lesson about pretension and

authenticity. Choosing as his target the most avant-garde of the literary magazines, he submits for publication the entire oeuvre of one Bob McCorkle, a working-class poet of raw power and sexual frankness, conveniently dead at twenty-four and entirely the product of Chubb's imagination. Not only does the magazine fall for the hoax, but the local authorities also sue its editor for publishing obscenity. At the trial someone uncannily resembling the faked photograph of the invented McCorkle, leaps to his feet. At this moment a horrified Chubb is confronted by the malevolent being he has himself manufactured...

The Story of My Life Sep 20 2022

God Had His Hands on My Life Nov 10 2021 After many years of physical and spiritual deprivation, Stephanie Redd Johnson, acknowledged the call on her life from her Lord and Savior Jesus Christ. It was 1988. Later, she demonstrated her acceptance of this calling through water baptism, in accordance to Acts 2:38. Stephanie is actively thanking God for one of many miracles experienced in her life, the fruit of which was the gift of healing. She was miraculously healed completely of the lung disease known as Sarcoidosis after negative prognosis from physicians who pronounced blindness, impending lesions all over her body and later, dependence on an oxygen machine and death then would follow. She however refused to give up hope, after seeing the length to which the enemy would go to try to snuff out her life and abort the future, which was ahead of her. Armed with a never-fail attitude and the will to prove the doctors and other naysayers wrong, she began standing on The Word in Isaiah 53:1-5, which says, Who hath believed our report? Touching and agreeing with a powerful women of God taught her how to stand upon Gods Truth declaring I cannot die because I have a work to do, especially after being told what she would be doing by the Spirit of God. This confirmed the gift which was already within her and in which she naturally walks in, the Prophetic Healing ministry. As time would pass, she would come into a fuller knowledge of God in 1999, with impartation of what God was calling her to, line upon line and percept upon percept, calling her into full time ministry with the gift of teaching through demonstrating power.

My Life May 24 2020 As prime minister of New Zealand from 1984 to 1989 David Lange oversaw the transformation of a society and its economy in what is now seen as an historic turning point in the country's development. But the tensions created by the fourth Labour government's policies also tore the party apart, led to his resignation as leader and split the electorate along new and surprising political fault lines. In this long-awaited memoir David Lange revisits those extraordinary years and brings to life the human dimension and consequences of being at the centre of such dramatic events. From exhilarating triumph over Muldoon government to championing a nuclear-free policy during the last days of the Cold War, the tragedy of the Rainbow Warrior bombing to titanic battles within cabinet over economic policy, this is a remarkable history as told by a remarkable man. The story of how the doctor's son from Otahuhu grew up to lead his country and confront the great issues of the day, and of how life after power as well as long battles with various illnesses have affected him, is also a personal and moving account of one man's life, told with all the author's characteristic wit, intelligence and compassion.

Preacher's Proverbs Jul 06 2021 "Go into the ministry," they said. "It will be fun," they said.

Ministry is not always fun, but it is rarely boring. Many a young minister has begun only to think later, What am I doing here? Thankfully, there have been older, more experienced ministers that have shared their wit and wisdom along the way. Some were trying to encourage, while others were trying to keep me on track. Now, after nearly forty years in pastoral ministry, I have put some of those bits of wisdom together in this book. My hope and prayers are that you will receive the same encouragement and direction that I did through the years. I hope that you can find a comfortable place to sit and meet with me as we share about what we are learning through this high calling and great adventure called the ministry.

15 to Life Mar 22 2020 It's also the testimony of how I turned my back on God for unknown reasons, and lived solely for myself for most of my early years. How leading this life caused me so much heart ache and pain that I thought it would be better if I just died. It's a testimony of abuse on all types of levels from sexual, to spiritual. It's about how I made one bad choice after another. And how it leads me down a deep dark path, that led me to prison and Islam. However, a testimony isn't a testimony unless it ends up glorifying God. Anyway, throughout all the bad choices God delivered me from them all. He opened my eyes to a world that I never saw before,

because I was only looking at myself. I was once an offender of the state, now I am a defender of my faith. I went from a misfit for the devil, to a minister for the Lord. And how it took 15 years of my life to finally realize that my life was only in Christ . My name is Samuel D Jackson Jr., and 15 to Life: From Misfit to Minister, is my testimony of how God took the worst things in my life, and used them for His glory. It's the testimony of a child who was in an abusive home where a father would get so high on drugs that he would try and kill his whole family. How a father chose a dime bag of weed over his 3 boys and how a single mother had to raise them. It's the story of how I went from a young boy to a young man filled with anger, hatred, and bitterness for just about everything in his path. And how I would take out those feelings on anyone at any time.

One Day at a Time Feb 19 2020

My Life with God Jul 18 2022 Each of us experiences the vicissitudes of life in different ways. Some, it could be said, never experience grief while others seem to have lives of grief alone. I wrote this book, the story of my life, not to suggest my life is full of either just strife or just happiness. Like anyone else, I have experienced both joys and sorrows. But I wrote this book so the reader can experience the reality of our great and awesome God speaking to us all in an audible voice and clear in our spirit. No matter what occurred for me, no matter what surprises life brought me, it was always our God, Creator of the Universe, who kept His promises of the things He would do for me and that He will also do for you, the reader of this book. What He did for me He will do for you and you will see things happen one by one before your very eyes all your life if you are accepting Him as I am. Once you see how our God dealt with a person like myself, who is average and very ordinary, a person like me full of imperfections and sins, a person who even by my own standards would not be acceptable or qualified to be His servant, yet still He called me to serve Him, you will understand why I am very indebted and grateful to Him. It is my hope that after your reading this book you will one day feel as indebted and grateful to Him as I am. Our God used a nobody like me to heal a crippled woman to walk normally (as you will see). He used me to heal instantly a woman with back problems who had been going to chiropractors for years with no results. He delivered drugs addicts from their bondage of addiction, and fought for someone who was on the brink of Satans possession, casting out demons from a house that was haunted. I was his vessel that showed how when

someone prays believing in God that He will always answer. Our God showed me His wonders, His power for healing, the manifestation of His gifts, and His presence in my life and the lives of others. God treated me as special and highly favored, touching the hearts of men to do me favors. He demonstrated His great love for me by sending His only Son to die in my place to save me from sins and the fires of hell. He showed me how privileged I was and still am to be given an opportunity to accept Jesus into my heart to be my personal Savior and Lord of my life. He gave me the right to become a child of God and He will do the same for you. He gave me a blessed assurance that I will go to heaven to be with my Lord Jesus forever and ever. Here you will learn how to have that very close, intimate and personal relationship with God that I have. You will feel you know His plans and directions for you. You will develop a very strong faith to believe that whatever His will for you, it is acceptable and with the complete resignation that He is in control no matter what the circumstances are you find yourself in. It makes no difference if you are sick or well, dying or lively, because you will understand the need and desire to put yourself in His hands as I have done. You will completely trust in Him because you will believe in His sovereignty.

My Life and Times Jul 26 2020 Autobiography of a politician from Jammu and Kashmir.

My Life, Our Times Oct 21 2022 This revelatory memoir from Britain's former Prime Minister offers vital insights into our extraordinary times. Former Prime Minister and the country's longest-serving Chancellor, Gordon Brown has been a guiding force for Britain and the world over three decades. This is his candid, poignant and deeply relevant story. In describing his upbringing in Scotland as the son of a minister, the near loss of his eyesight as a student and the death of his daughter within days of her birth, he shares the passionately-held principles that have shaped and driven him, reminding us that politics can and should be a calling to serve. Reflecting on the personal and ideological tensions within Labour and its successes and failures in power, he describes how to meet the challenge of pursuing a radical agenda within a credible party of government. From the invasion of Iraq to the tragedy of Afghanistan, from the coalition negotiations of 2010 to the referendums on Scottish independence and Europe, Gordon Brown draws on his unique experiences to explain Britain's current fractured condition. By showing us what progressive politics has achieved in recent decades, he inspires us with a vision of what it might yet achieve. Riveting, expert and highly personal, this historic memoir is an invaluable insight into our times.

My Country, My Life Feb 25 2023 WINNER OF THE 2018 NATIONAL JEWISH BOOK

AWARD The definitive memoir of one of Israel's most influential soldier-statesmen and one-time Prime Minister, Ehud Barak, with insights into forging peace in the Middle East. In the summer of 2000, the most decorated soldier in Israel's history—Ehud Barak—set himself a challenge as daunting as any he had faced on the battlefield: to secure a final peace with the Palestinians. He would propose two states for two peoples, with a shared capital in Jerusalem. He knew the risks of failure. But he also knew the risks of not trying: letting slip perhaps the last chance for a generation to secure genuine peace. It was a moment of truth. It was one of many in a life intertwined, from the start, with that of Israel. Born on a kibbutz, Barak became commander of Israel's elite special forces, then army Chief of Staff, and ultimately, Prime Minister. *My Country, My Life* tells the unvarnished story of his—and his country's—first seven decades; of its major successes, but also its setbacks and misjudgments. He offers candid assessments of his fellow Israeli politicians, of the American administrations with which he worked, and of himself. Drawing on his experiences as a military and political leader, he sounds a powerful warning: Israel is at a crossroads, threatened by events beyond its borders and by divisions within. The two-state solution is more urgent than ever, not just for the Palestinians, but for the existential interests of Israel itself. Only by rediscovering the twin pillars on which it was built—military strength and moral purpose—can Israel thrive.

The Course of My Life Jan 12 2022 The Course of My Life is not only the autobiography of one of the most distinguished figures of modern times, but a revealing panoply of twentieth-century political, international and social history. Born in 1916, Edward Heath became a Conservative Member of Parliament in 1950, following a glittering Oxford and military career, and was at the heart of political life for a long time - as Chief Whip (notably during the Suez Crisis), Minister of Labour, Lord Privy Seal at the Foreign Office, Leader of the Conservative Party from 1965-75, and Prime Minister from 1970 to 1974. Since relinquishing the leadership in 1975, he has maintained a central role in world affairs, as well as pursuing his wide musical and sailing interests. Edward Heath writes his autobiography with complete (and often very amusing) candour, offering us valuable and entertaining insights into the events of the past sixty years. He describes the importance of a united Europe, one of the driving influences in his life since he observed a Nuremberg Rally as an undergraduate, and his continuing thoughts on the subject after he took us into the European Community in the 1970s. He discusses the changes in the Conservative Party in his period as an MP and his modernisation of it as its leader, and the major issues of domestic policy, not least the economy, the trade unions and the Troubles in Northern Ireland; these are set against his range of activities on the international stage, including his negotiations with China and Saddam Hussein, shortly before the outbreak of the Gulf War in 1991. Both as a record of a momentous and unequalled career and as an important and frank document of personalities and events, The Course of My Life is as entertaining as it is revealing.
